For better visibility of Acta Gastro-Enterologica Belgica. N. Lanthier, T. Vanuytsel 243

ORIGINAL ARTICLES

Logistic regression analysis of risk factors for upper gastrointestinal bleeding induced by PCI in combination with double antiplatelet therapy for STEMI patients. B. Tang, S. Xiao 245

Relation of cyclooxygenase-2 expression with premalignant gastric lesions. D. Ogutmen Koc, E. Kimiloglu 249

Prognostic value and association of systemic inflammation for patients with stage IV gastric cancer. C. Huang, Z. Li, Z. Zhang, X. Xia, D. Xu, A. Zhao, G. Zhao 255

The diagnostic yield of urgent colonoscopy in acute lower gastrointestinal bleeding. M. Mosli, A. Aldabbagh, H. Aseeri, S. Alqusair, H. Jawa, M. Alsahafi, Y. Qari 265

A 3'-untranslated region variant (rs2289046) of insulin receptor substrate 2 gene is associated with susceptibility to nonalcoholic fatty liver disease. R. Dabiri, T. Mahmoudi, M. Sabzikarian, A. Asadi, H. Farahani, H. Nobakht, I. Maleki, F. Mansour-Ghanaei, F. Derakhshan, M.R. Zali 271

Diagnostic utility of oxidative and non-oxidative markers for spontaneous bacterial peritonitis in non-malign ascites. M. Kaplan, İ. Ateş, M. Akdoğan Kayhan, S. Kaçar, V. Gökbulut, O. Coşkun, Ö. Erel, M. Alışık, K. Güçlü 279

Benefits of abdominal paracentesis drainage performed ahead of percutaneous catheter drainage as a modification of the step-up approach in acute pancreatitis with fluid collections. E. Zerem, S. Kunosić, D. Zerem, A. Boloban, O. Zerem, E. Zlomužica 285

Serum level of CCL2 predicts outcome of patients with pancreatic cancer. L. Feng, Q. Qi, P. Wang, H. Chen, Z. Chen, Z. Meng, L. Liu 295

REVIEWS

Angiogenesis in the progression of non-alcoholic fatty liver disease. S. Lefere, L. Devisscher, A. Geerts . 301

Molecular perspectives for the treatment of hepatocellular carcinoma. A. Demory, J.C. Nault 309

CASE SERIES

Acid-base disturbances in dehydrated patients with cystic fibrosis : four case reports with review of literature. L. Peremans, D. Declercq, S. Vande Velde, R. De Bruyne, M. Van Winckel, J. Vande Walle, S. Van Biervliet. 315

Successfully endoscopic retrieval of ingested toothpicks in colorectum : a report of four cases. L.N. Tan, Y.Y. Tan, D.L. Liu. 319

CASE REPORTS

Boerhaave's syndrome initially presented with sore throat and cough complicated by a bilateral pneumothorax. I. Ould-Nana, M. Szabo, H. Farghadani, E. Leyder, A. Bodlet 322

A rectal metastasis of an unknown lobular breast carcinoma and its management. P. Vande Berg, S. Fonseca, A. Al-Awa, M. Rezai Monfared, S. Delande, R. Chamlou, F-E. Etogo-Asse, P. Van Maele . . . 327

Transjugular intrahepatic portosystemic shunt placement for symptomatic non-bleeding anorectal varices in nodular regenerative hyperplasia. B. Waked, K. Favere, J. Marrannes, D. De Wulf, J. Decaestecker 331

Travel history can make the difference. S. Colman, L. Cattoir, K. Van Vaerenbergh, H. De Beenhouwer, A. Boel 334

LETTERS

COVID-19 and gastrointestinal endoscopy in Belgium : uncertainty and ambiguity. T.G. Moreels.	337
NASH : a welfare disease with emerging questions and adequate answer attempts. N. Lanthier, S. Francque	339

EXPERT POINT OF VIEW

Liver transplantation during the COVID-19 epidemic : recommendations from the Belgian Liver Intestine Transplant Committee (BeLIAC). G. Dahlqvist, O. Ciccarelli, H. Van Vlierberghe, F. Berrevoet, T. Vanwolleghe, D. Ysebaert, T. Gustot, V. Lucidi, J. Delwaide, O. Detry, M.H. Delbouille, E. Sokal, F. Nevens, J. Pirenne on behalf of the BeLIAC	340
BSGIE survey on COVID-19 and gastrointestinal endoscopy in Belgium : results and recommendations. P. Sinonquel, M. Aerts, A. Badaoui, R. Bisschops, D. Blero, I. Demedts, P. Deprez, P. Dewint, P. Eisendrath, P. Hindryckx, A. Lemmers, Ph. Roelandt, C. Snauwaert, E. Toussaint, T. Moreels	344

CLINICAL IMAGES

Incomplete intestinal obstruction. M. Tarchouli, B. Ait Idir, M. Soufi, A. Bounaim	357
A bag of diamonds. S. Trenson, M. de Ceuninck	359
